Chris was like a brother to me and his family embraced me and is like an extension of my family. I truly hope he knew just how much he meant to me and that the memories him and I had through the best and worst of times will always be cherished Words can not express what he meant to me as a friend and Tom, Pat, Kelly, Brad, Scott, Jen and Deb you are all in my prayers.... My only regret is the last couple years I lost with him by not staying in close touch... He will be VERY missed by me the rest of my life. For him, every time anyone reading this hears the song "Boys are back in town" send him a toast.... he will smile down on you from heaven. Guaranteed.... Brad

Chris was a great friend and a truly caring person. I will always remember our hunting and fishing trips. Chris got his first buck hunting with me. It was awesome. He was so excited and we had a great weekend! I will miss him dearly and never forget his great smile and puppy dog eyes. My deepest condolences to his family. He will be missed very much. Dear Family & Friends of Chis, I would just like everyone to know how much Chris has meant to us. This is a very hard loss. Chris was the type of friend that you could only hope to find & keep forever in your life. He was the type of friend that would jump right in and help. He would give you the shirt off his back. Chris meant so many things to each one of our family members. To the kids he was like a really cool & fun Uncle. Always up for a game of golden tee golf. To Tony and myself a very close and dear friend. Chris will always be in our hearts. He will truly be missed. I feel that we were blessed for having him in our lives. Even though it's not possible to have him here with us like we wish, he will always be in our hearts and memories. Our prayers go out to each family member that has suffered this huge loss. Love, Tony, Vicki, Allison, Anthony Missella
