To The Family: My name is Annette. I would like to express my deepest sympathy to each of you. We are not acquainted with one another, nor was I acquainted with Mr. Wtulich. However; we are associated with the pain when our loved ones fall asleep in death. Reading the Scripture at Revelation 21:3-5 will not take away the pain that you are going through. It is one of comforting. I hope that after your reading it that you too will be comforted by its message.
