Dear Sisters, My sincere sympathy to you on the death of your dear Sr. Felicia. I've worked with her on occasion and it was a joy. She was one of a kind and could inject humor at some very serious times. I have no doubt she will be missed and will be ever a loving support to her SSG-TOSF community. Much love, prayers too, Sister Mary Lisa Novak, SND

When I think of SR. Felicia what comes to mind 1st and foremost is that of such a good and caring friend to my mother. She showed her how to be strong and tough but loving at the same time. Never having family over, we were always excited when Felicia showed up, showing us that family is supposed to both cry and laugh together! You were all very lucky to have her in your life!
