John and I didn't know Kathy until we met her on Clair Hall when my mother-in-law Dolores moved in there. Many days I would arrive and she would be sitting at the table waiting for lunch. I watched her decline slowly and she told me of her struggles. I met many of her children and siblings. I wish I had met her sooner. She was a brave strong woman. I think of her often Rest in Peace Dear Kathy!

Kathy was always there for children and grandchildren. Both her and Leroy were my lifesavers when Mike got sick. They were over everyday to help take care of him while I was at work. I knew he was in good hands. Now Kathy, you are in good hands and your dream has come true. You are reunited with your son. Enjoy your special time with him. Rest In Peace Kathy. Love you & give my husband a kiss for me.
