I remember when I first met you save.i was hopeless and you took the time to talk to me and gave me a little bit of hope. You have a good heart and soul and will always remain in my memory a person who was a stand up person

To Lynn and David my deepest condolences on the loss of your son. Our boys got mixed up a time or two in school and we would get calls for each other. Remember. Your boy was always a good kid and respectful.Ã,Ã May God Bless his Soul and Comfort you and your family.Ã,Ã

David. You were truly one of a kind. No matter what you were going through.. you always made sure Jaden and I had everything we needed. Knowing you, loving you and creating wonderful memories with you.. will be something I will always cherish. You were so stubborn but had a beautiful heart. We love you

Rick and I used to take David and Ryan for walks when they were very young. Often we would end up at Dairy Queen. David always wanted Blue Moon ice cream but would always pronounce it as Boo Moon. We always thought it was because he was young but he told me years later that he called it that because it looked like a full moon on Halloween. Love those memories.
