To my Grandma, As I sit here and cry while I begin to write a paragraph I didn't wanna have to write so soon, I thank you for everything. My Grandma, My BestFriend, My Role Model... I have so many questions like why did you have to leave so soon or is it ever gonna be okay. You've always been so strong, able to overcome anything or any problem that has ever came your way. On July 11 at 10:10 pm I lost my bestfriend, someone I told everything to and did everything with. You'd always tell me do the best that I can do, be the best that I can be and never give up, now I'm making this promise to you to make you proud from here to heaven, I know your watching me. You've always believed in me and always believed that there wasn't a challenge that I couldn't overcome but this one will be hard. I love you forever my bby. Rest In Peace, 6.19.32 - 7.11.20 Love, Nadia
