A whole year has gone by... so hard to believe. Still think of something to share, but know you can watch from your heavenly home with our dear Lord. You are maybe chuckling at all of the great grands or the chaos, maybe you have even shed a tear or two when one of us is struggling. For you we are grateful that you suffer no more, it was a long challenging road those last 3 years especially. You are so missed. With loving memories, Kathey
