Audrey Ann Shimshock

JUL 2, 1936 - JUL 23, 2021

Audrey Ann Shimshock (nee Malinosky), age 85, passed away Friday, July 23, 2021.

Beloved wife of the late Walter William Shimshock. Loving mother of Lisa Fulkerson (Alan), Lynne Craig (Patrick), Lorie Walchanowicz (David) and Kristy Shimshock.

Devoted grandmother of Kelly Craig, Shannon Smith (Andrew), Michael Fulkerson, Shelby Walchanowicz and Courtney Craig.

Audrey was one of nine children and she and her sister both married brothers from the same family. She enjoyed reading, and although she didn't cook much, she loved looking at cookbooks and watching the Pioneer Woman.

Audrey enjoyed Reality TV and Wheel of Fortune, along with tabloids. She loved coffee with lots of cream & sugar and enjoyed going out to eat. She enjoyed gambling and when she went out, she always wore pink lipstick and all of her jewelry.

Audrey was an expert in the Kennedy family history. She had a deep faith in God and said the Rosary religiously. Her favorite song was "White Sport Coat & a Pink Carnation".

A private service was held. The family suggests contributions be made in memory of Audrey to Neighborhood Pets at neighborhoodpetscle.org

Hi Grandma, It's hard to believe that you've been gone a week. It seems like forever since I saw you last. I already miss you so much. I wish I could come stop over and that we could sit at the table and drink coffee together and chit chat. Those are the times I will miss the most. You were so much more than a grandma to me. You were a role model and also one of my best friends. Life will forever be different without you in it. I am so grateful for all the fun times we had. I will cherish those memories forever. It's funny because as I'm writing this, I'm outside. I just looked up and there are two clouds right above me that look like angel wings. That must be a sign that you are watching over us all. I love you grandma. Behave yourself up there. 🙏🙏

Please accept our deepest sympathy in the loss of this wonderful lady. I do have a memory from a long time ago, and I hope I am remembering it correctly. When we were young, Mrs Shimshock had a near death experience. I remember hearing from Lori and Lynn that when the doctors had brought her back she said she saw the most wonderful sight. I can't remember exactly what was said but this always stuck with me. Knowing that she saw something beautiful and beyond wonderful that we will all experience!!!! Such a special gift to receive!!! Rest and enjoy the other side, keep an eye on your loved ones and visit them so they know you are fine and back to complete health and unimaginable happiness

You were not only a great mom, but someone I could talk to for hours on the phone!Ã,Ã You were a great mom and my best friend. Dad was the ornery one who I would run around with and was always game for anything, but when I needed a serious talk about anything that bothered me, you were the one I turned to. You taught me so much through all your actions and your love of God. Words can't describe how much I will miss you both!!Ã,Ã Love, Lynne
