I met Tom through working at Nesco years back and we struck up an immediate friendship. Tom and I had a brand of humor that meshed very well and even though we didnt talk as often as we would have liked, we always picked up where we left off like no time had passed. Tom and I had many customer visits together and they always involved some side splitting hilarious conversation that was talked about many years to come. Tom and I also shared a love of movies and spouting random movie quotes to one another. Tom had an infectious personality and a huge heart that would light up a room. He was giving, passionate, and had a wonderful ability to read people and make connections. Tom was one of those rare people you meet in life that made an experience better just because he was there. I will miss our time we spent with one another and the laughs we had. I know you have gone home to be with the Lord and I look forward to enjoying another peach milkshake with you again someday buddy.

I had the opportunity to work with Tom at Aerotek/On-site in my first job out of college. Tom was a get it done personality that people gravitated towards. I learned a lot from Tom personal and professionally during my time at On-site. Im glad our paths crossed. Im great full for our friendship. RWG -Ty Patillo
