Mary Ann I didn't know you passed. For over a year I had no clue. I wasn't notified & I don't get the paper. You were the nicest friend ever. Your trials are over now. Rest in Peace. I will never forget Algebra class! I am so very sorry I missed the chance to say goodbye. I will always remember school and Kmart when I think of you. Be at peace friend. You will be forever missed.

My deepest sympathy to the family. Mary Ann was a very special person and friend. We worked together at Kmart for many years. She shared many recipes with me and my favorite is the Neapolitan cookie. She was also very talented crafter. She gave me some Christmas decorations and I always think of her when I put them out. I will never forget her smile and loving kindness. May you rest in peace Mary Ann, you will be missed but never forgotten.

Mary Ann and I met at Cleveland Ostomy Association. Her kind smile welcomed me and many more over the years. She gave her time to the care of members and just visitors alike. She supported me during a medically complicated pregnancy and had hopeful prayers to share. I have become a better person, because I had the chance to spend some precious time with her. I look forward to partake along side her again in eternity. God be with Mary Ann's family, bless them here on earth as it is in heaven.

Her health issues were much more serious then mine and yet she was there to offer her support, love and prayers to me. That's who she was, a loving and caring person.She has been through much more then one person should ever have to deal with.Rest in peace my friend, I will miss you.
