Kim you will be dearly missed. Since coming into your guy's lives you became my family too. I'll never forget the time I left Marymount "AMA " and ran to your and Steve's house because it was so close. Steve seen me in the backyard and thought I was a ghost LOL you and my sister gave me clothes, removed my IV and got me together. Crazy funny times. You were also welcoming and loving to my children. Allowing them to be babysat at your house when they were younger. I'm grateful for that. I'll miss our talks. I'll miss hearing your crazy rants. I'll miss serving you baby shots of Jager and you complaining it wasn't a full shot (it never was) lol Most of all I'll miss your generosity and compassion. I am so sorry to You Steve, David and I love you guys and you are family to us. I promise to watch over Vic and Ness as I always have and I vow to remind Ry and Lo how much you adored them. I know you're giving heaven a hard time & I know you're up there with Eddie Money now, Shaking and snapping your fingers. You. were truly legendary, little lady. Love you always
