I knew Gil from the time I was three years old when he worked at Fairmount Temple. As a Beachwood resident I would often visit the service department and always made it a point to stop and see Gil and see how he was doing. He would always be sure to ask about my mom and everyone else from the temple. My prayers are with his family.

Thank you so much. I remember my dad taking me up to the temple as a kid sometimes when he had to work on Saturdays.
