Mrs Ritner was 2 classes behind my father at St Margaret school. I remember Margaret's mother Mrs B was an excellent cook and baker.I enjoyed many conversations with this lovely lady especially those about weight watchers, which we were both on at the same time! She was always friendly and kind.Bill and Dottie Bauer

Dear Family of Margaret, I went to school with Margaret from 1st to 8th grade at St. Margaret. I reconnected with her for a short period of time about 15 years ago and played Words with Friends with her for a few years after I moved to Florida. I'd been wondering if she was okay. I am so sorry for your loss. I remember her as a very smart student, and a very nice person.
