Victor Arnoto posted:

Papa had a wonderful impact on my life. With the blessing of dating his amazing granddaughter, I gained so much knowledge, love and wisdom from such a powerful figure. This man stood for courage, perseverance, and never failed to put his family and passions before himself. It was truly easy to see why everyone in Mr. K's life loved him dearly and I will never forget the conversations we had and the smiles and laughs shared. The standard that Papa held for treatment of his loved ones and granddaughter is something that will forever be engraved into my soul and I will continue to live my life in hopes of being half the man Donald was.
