Bobby was a huge part of my life. He is the biological father (sperm donor) of my brother and sister who were not mentioned. May you rest in peace Bobby. Last time I saw you was at Marlis's wake. All of us kids (Glenna's kids) loved you.

How do you let the world know just how amazing you are! Bob was a giant to me. His horse sense was priceless. I could sit for hours with him chatting and learning about our passion for horses. I know the last few years have been a struggle but now you can rest. My sincere condolences to Ro and the family who loved you dearly along with countless hearts you touched along the way. The memory of you is filled with warm smiles. Thank you Uncle Bob.
