I'm at a loss of words, but not short of memories. I was beyond blessed to have known you and grateful I was able to call you a friend. You will forever hold a place in our hearts. When it snows, I will always think of you, how you drove me to work because I was scared of driving. You said Northerners are just built differently. How you house sat for my family when my grandfather passed. Our trip to Tennessee was one of the best trips and your girls will miss you! We will meet again my dear friend. Watch over us. Love you, Jeff and Trinity

I just learned of Arlene's passing and am deeply saddened, She was one of the best people God ever brought into my life and I treasure the love we shared for so many years. I know of some of the health issues she battled and understand and appreciate her support through my issues related to my diagnosis of RMMS ten years ago. I tried to be there for her battles with cancer and I know she did her best to be there for me as well I hope and pray God gives you peace in knowing she is free of pain and suffering and is awaiting your arrival in Heaven.
